

# Recipe for Passover Matzah Brei

## The Celebration of Freedom, The Exercise of Liberty

### Ingredients

per batch = one pan

2+ sheets matzah  
2-3 tableZspoons butter  
2-3 large eggs  
salt and pepper

Matzah-Helper: Joshua, Jake and Max  
(any combination is 100% effective)

### Augmentation

Maple Syrup, Cinnamon/Sugar, Peanut  
Butter, Jam

### Preparation

#### Step 1

Aggressively Beat the Eggs.

Crack the matzah into medium-size chunks (about the size of a dollar bill).

Place the matzah into a colander and pour just enough boiling water over it to make it damp (not soaked).

#### Step 2

Heat the butter in a hot pan. Work quickly so it doesn't burn.

Dip the matzah (it will be very hot) into the eggs and layer it in the pan (two pieces deep).

After about 30-40 seconds, lift a corner with a spatula. If brown, flip it (you can do it!).

The second side will cook much faster.

#### Step 3

Place the matzah brei on a platter.

Do two more batches.

Stand aside while the Matzah-Helpers take over.
